Change Management for Increased Productivity

Topic Importance

"What you're supposed to do when you don't like a thing is change it. If you can't change it, change the way you think about it. Don't complain." - by Maya Angelou. How do you embrace change? How do you prepare others for change? This **Interactive Workshop** will show you how to transition smoothly during change for **increased productivity** and **morale**.

Objectives

During this workshop, you will have opportunities to:

1. Create a list of expectations – **Team Exercise**
2. Develop a preparation strategy – **Team Exercise**
3. Share experiences: successes and pitfalls – **Team Discussion**
4. Create a benefits list – **Team Exercise**
5. Rate your "**Metamorphic**" level – **Individual Exercise**

Benefits

In 3 short hours you will learn:

1. Four stages of change
2. Behaviors for each stage of change
3. Strategies to overcome objections for change
4. Five techniques to help others transition smoothly during change
5. Ten observations to assess your "**Change**" level
